If you are serious about marrying a Filipino woman then you must know something about them to win the hearts and get a perfect woman for marriage. Filipina women have wonderful traits and qualities, which make them unique in the crowd. Filipina women are polite, caring and loving women. There should be certain qualities in the man, who want to marry a Filipino woman raised in the Philippines.

Here are five things a man should have [dating Filipina women for marriage](#):

### Be Responsible

The majority of the Filipino women like those men who show a sense of responsibility, who have the ability to take decisions and be accountable for the actions. A man should be honest and he should be able to stand by his word to face the consequences at the times.

### Be Honest

This is one of the most weighting traits a Filipino woman may seek in the man for serious relationship. She never trusts on any man, until she complete found his inner self. If a man makes a relationship with a Filipino woman with a purpose to deceive her and make her fall in love, she will find the truth sooner or later. Once, she discovers that you are cheating on her, and then it will raise huge problems for you. A Filipino can turn into a worse enemy if she finds that you are deceiving her for marriage.

### Be Supportive & Committed
