- Regardless of dating in-person or in fact online, it is said that any Chinese woman who demands you to send them money in any form, must not be acceptable for you.

But it does not mean that the ladies you are dating are showing their real character. When you first meet any Chinese woman do not trust her completely. They might be acting like this until they marry you.
- If your Chinese girlfriend or bride is over sentimental while you tell her something which she does not like to listen then you have to think twice before you make a final decision about marriage. If you compare the western females with Chinese women you will have to consider your Chinese wife or girlfriend to be extra emotional.
- Decide carefully and think enough before you reach a decision whether you are making the right decision or not.
- However, not all Chinese women are of same type but majority of them are pretty sentimental. You have to consider whether you'll be able to handle your relationship with her easily or that it will be a tough job for you.
